- Due to the Nature of our lodge and consideration of other in house guests, we will not allow any loud music or DJ's. Soft background music of your choice will be provided during the Ceremony and Reception.
- Regarding Package 3 - due to limited parking space, we cannot accommodate more than 23 outsiders (non-guests), therefore the majority of the wedding party will be required to check in for a 2 night stay at the Crawfords Beach Lodge if the wedding falls on a Saturday. If the wedding falls on a week day a 1 night stay is permitted.
- Due to the nature of the small intimate weddings, we prefer to hold weddings out of peak season, not long weekends and not during school holidays.
